Dear Sir/Madam:

In accordance with our responsibilities under Section 309 of the Clean Air Act and the National Environmental Policy Act (NEPA), the Environmental Protection Agency (EPA) has reviewed the U.S. Army's Final Environmental Impact Statement (EIS) for the Permanent Stationing of the 2/25th Stryker Brigade Combat Team (CEQ# 20080062). Based on its review, EPA has determined that the Army has adequately addressed its comments on the draft document within the FEIS. Therefore, EPA does not object to the proposed project.

We appreciate the opportunity to review this final EIS. If you have any questions or require any assistance in the future, the staff contact for the review is Marthea Rountree and she can be reached at (202) 564-7141.

Sincerely,
